

P r i c e L i s t

March 2010

FLY SYNTHESIS SYNCRO F (MTOW 472,5/600 Kg)

Full carbon fiber construction

Exterior polyurethane paint (white), coated with decals, aeronautical plexiglass windshield, door windows and rear side windows blue or brown tinted, five point safety belts, two rear 20 Kg + 20 Kg on ground accessible luggages compartments, two luggage compartments accessible through cabin, one storage tray on central instruments panel, hydraulic disk brake system, integrated on composite main landing gear, brake control on rudder pedals (Lh & Rh), adj rudder pedals, dual controls three axes, pivoting nose landing gear, wheels fairings, cockpit heating, cockpit fresh air ventilation system, electric driven flaps, strobo lights (wings and tail). Engine compartment fire extinguisher system, crashworthy long range wing fuel tanks (50+50 Lt), fire resistant fuel lines, with central common fuel valve, parachute rescue system.

INSTRUMENTATION

Glass Cockpit EFIS Dynon D100 that includes:

Bright LCD Display, Attitude Indicator, Airspeed Indicator, Altimeter, Vertical Speed Indicator, Gyro-Stabilized Magnetic Compass, Slip indicator, Turn Rate, Clock/Timer, G-Meter, Voltmeter, Horizontal Situation Indicator, Angle of attack warning, Back-up battery

Glass Cockpit EMS Dynon D120 that includes:

Bright LCD Display, Tachometer, Oil pressure, Oil temperature, Cylinder head temperature, Exhaust gas temperature, Fuel flow, Fuel pressure, Manifold pressure, Ammeter, Voltmeter, Acoustic (coupled to Intercom) and optical warnings

Backup instrumentation:

Analog airspeed indicator (57mm), Analog two pointers altimeter (57mm), Analog vertical speed indicator (57mm), Magnetic compass with deviation table, Hour meter

Emergency annunciator panel

Electronic flap controller

AVIONICS:

Filser ATR 500 radio installed with antenna and Ptt buttons on each control stick, Filser ZTRT800A mode S transponder installed with antenna, (Radio and transponder are certified EASA-ETSO), AvMAP EKP IV 7" moving map GPS installed.

ENGINE:

Rotax 912 ULS (100 Hp), Airbox, Carburetor heating sys, Rotax engine mount, Slipper clutch, Stainless steel exhaust system

PROPELLER:

Alisport (Idrovario) in flight, two blades, carbon fiber variable pitch propeller (Inc. spinner)

DOCUMENTS:

Flight manual (English or Italian), Maintenance manual (English or Italian), Illustrated parts catalogue, Engine logbook, Aircraft logbook

Price : 87.500,00 €

FLY SYNTHESIS SYNCRO T (MTOW 472,5 Kg)

Full carbon fiber construction

Exterior polyurethane paint (white), aeronautical plexiglass windshield, door windows and rear side windows, three point safety belts, two rear 20 Kg + 20 Kg on ground accessible luggages compartments, two luggage compartments accessible through cabin, one storage tray on central instruments panel, hydraulic disk brake system, integrated on composite main landing gear, brake control on rudder pedals (Lh & Rh), adj rudder pedals, dual controls three axes, pivoting nose landing gear, wheels fairings, cockpit fresh air ventilation system, electric driven flaps. Long range wing fuel tanks (50+50 Lt), central common fuel valve, parachute rescue system.

INSTRUMENTATION

Analog airspeed indicator (80mm), Analog two pointers altimeter (80mm), Analog vertical speed indicator (80mm), Magnetic compass with deviation table, Hour meter Tachometer, Oil pressure indicator, Oil temperature indicator, Cylinder head temperature indicator, Fuel pressure indicator, Electronic flap controller.

AVIONICS:

Filser ATR 500 radio installed with antenna and Ptt buttons on each control stick,

ENGINE:

Rotax 912 ULS (100 Hp), Airbox, Carburetor heating sys, Rotax engine mount, Slipper clutch, Stainless steel exhaust system

PROPELLER:

Alisport (Idrovario) in flight, two blades, carbon fiber variable pitch propeller (Inc. spinner)

DOCUMENTS:

Flight manual (English or Italian), Maintenance manual (English or Italian), Illustrated parts catalogue, Engine logbook, Aircraft logbook

Price : 75.000,00 €

TEXAN TOP CLASS / SIXHUNDRED

Standard configuration:

Two blades Wood Prop, Spinner, Hydraulic disc Brakes with parking Brake, Integrated Wing Fuel Tank 50Lt + 50Lt, Adjustable Seats, Three Points Safety Belts, Electric Driven Flap, Manual Trim, Air Speed Indicator, Altimeter, Vertical Speed Indicator, Magnetic Compass, Slip Indicator, Flap Angle Indicator, Fuel Level Indicator (2), Warning Fuel Low Level Light, CHT, Tachometer, Oil Temp. Ind. , Oil Press. Ind. , Hour Meter, Aux 12 Volt Power Supply, Canopy Snap Vents, Lateral Pockets.

TEXAN TOP CLASS J - JABIRU 2.2

Jabiru 2.200 85 HP, Airbox, Carburetor Cold/warm air Valve.

Price : 59.500,00 €

TEXAN TOP CLASS R - 450 ROTAX 912 ULS

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter.

Price : 63.500,00 €

TEXAN TOP CLASS R - 550 ROTAX 912 ULS (MTOW 550kg)

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter, Spring Steel MLG Legs.

Price : 65.500,00 €

TEXAN SIXHUNDRED ROTAX 912 ULS (MTOW 600kg)

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter, Long Life Flat MLG Legs, Pivoting NLG, Woodcomp two blades O.G.V.P.

Price : 68.800,00 €

TEXAN RG ROTAX 912 ULS

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter, Retractable Landing Gear, Comfort Pack and Speed Pack (where suitable) Included.

Price : 84.800,00 €

TEXAN TOP CLASS SERIES OPTIONAL PACKAGES

COMFORT Pack

Ergonomic Seats w/ Headrest, Blu Canopy, Canopy Taxi Opening, Cabin Key Lock, Comfort Interiors, Cabin Heating, Ground Fixer, Engine Cowling Cam-Lock, Oil Ctrl Flap

Price : 3000,00 €

Comfort Pack add-ons

Sliding windows on canopy

Price : 750,00 €

Flysynthesis design full leather cockpit

Price : 2100,00 €

SPEED Pack

Wheel Fairing, Landing Gear Legs Fairing, Top Tail Fairing RG mod, Low Tail Fairing RG mod, Landing Light, Integrated Stabilator Balancing Mass, Electric Trim on Panel.

Price : 3400,00 €

NAV Pack I

Microair M760 Radio installed with intercom, Headsets, GPS EKP IV color.

Price : 3400,00 €

NAV Pack II

Garmin SI 40 Radio/Filser ATR 500 installed with intercom , Headsets Plus, GPS EKP IV color.

Price : 4500,00 €

DEPiS Pack

DEPiS (Disabled Easy Pilot System), Luggage compartment for wheelchair, Electric trim & Flap Controls on cloches.

Price : 5400,00 €

LUXURY Pack

Comfort Pack, Speed Pack, Nav Pack I, Personalized Adhesive Livery, Leather interiors, Electric Trim on Cloches.

Price : 15000,00 €

TEXAN TOP CLASS SERIES OPTIONAL

Props

Woodcomp SR 117 - two blades gnd. adj. pitch	Price : + 600,00 €
Duc - three blades Inconel gnd. adj. pitch	Price : + 850,00 €
Alisport - two blades in flt. A/P elect.	Price : + 3100,00 €
Alisport - two blades in flt. A/P constant speed box	Price : + 3600,00 €
Alisport - three blades in flt. A/P constant speed box	Price : + 4500,00 €

Parachutes

GRS 5/560 soft pack internal steel ropes	Price : 4.900,00 €
GRS 6/600 soft pack internal steel ropes	Price : 5.300,00 €
Parachute predisposition (for GRS or BRS soft pack)	Price : 1.500,00 €

Lights

Tail strobo light (Led)	Price : 490,00 €
Wings strobo lights + red and green nav lights (Led)	Price : 890,00 €
Wings & tail strobo lights + red and green nav lights (Led)	Price : 1.340,00 €

Engine instruments

Map 0-35 Hg 57 mm	Price : 185,00 €
Map 0-50 Hg 80 mm	Price : 165,00 €
Airbox temperature indicator	Price : 210,00 €
Single gauge dual CHT indicator	Price : +100,00 €
Single gauge dual EGT indicator	Price : +100,00 €

Flight instruments

Vertical compass	Price : 340,00 €
G-meter 57 mm (+10 -5 g)	Price : 270,00 €
Electric turn coordinator (80 mm)	Price : 580,00 €
Electric horizon (80 mm)	Price : 1500,00 €
Electric directional gyro (80 mm)	Price : 1500,00 €

EFIS/EMS

Dynon D100 - installed	Price : 2750,00 €
Dynon D120 - installed with Rotax probes included	Price : 2950,00 €
Dynon D180 - installed with Rotax probes included	Price : 3450,00 €
Super bright screen for D100 / D120 / D180	Price : 180,00 €
OAT probe - included wiring	Price : 120,00 €
Fuel flow indicator for D100 / D120 / D180	Price : 200,00 €
Backup battery for D100 / D180	Price : 110,00 €

AUTOPILOTS/ TRANSPONDER

Tru Trak Pictorial pilot (Roll) installed with GPS interface	Price : 2690,00 €
Tru Trak Digify II (Roll + pitch) installed with GPS interface	Price : 4990,00 €
Tru Trak Adi pilot II (Roll + pitch) installed with GPS interface	Price : 5490,00 €
Transponder Funkwerk TRT 800 Oled "A-C-S" Mode	Price : + 2.550,00 €

TEXAN Club ROTAX 912 UL2 80 HP

Standard configuration:

Two blades Composite Prop, Spinner, Hydraulic disc Brakes w/ parking Brake, Integrated Wing Fuel Tank 50Lt + 50Lt, Adjustable Seats, Three Points Safety Belts, Electric Adj. Flap, Electric Trim, Air Speed Indicator, Altimeter, Vertical Speed Indicator, Magnetic Compass, Slip Indicator, Fuel Level Indicator (2), Warning Fuel Low Level Light, CHT, RPM Indicator, Oil Temp Ind, Oil Press Ind, Hour Meter, Aux 12 Volt Power Supply, Canopy Snap Vents, Blue Canopy, Top Tail Fairing RG Model, Lower Tail Fairing, Integrated Balancing Mass, Electric Trim on Panel.

Price : 55.000,00 €

TEXAN Club OPTIONAL

Rotax 912 ULS 2 100HP engine (GT prop)

Price : + 3000,00 €

Cabin Heating

Price : 500,00 €

Cabin lock

Price : 150,00 €

Props

Woodcomp SR 117 - two blades gnd. adj. pitch (912 ULS)

Price : + 600,00 €

Duc - three blades Inconel gnd. adj. pitch (912 UL)

Price : + 850,00 €

Parachutes

GRS 5/560 soft pack internal steel ropes

Price : 4.900,00 €

Parachute predisposition (for GRS or BRS soft pack)

Price : 1.500,00 €

Lights

Tail strobo light (Led)

Price : 490,00 €

Wings strobo lights + red and green nav lights (Led)

Price : 890,00 €

Wings & tail strobo lights + red and green nav lights (Led)

Price : 1.340,00 €

Avionics

Radio Funkwerk ATR 500 + Headset

Price : + 1.750,00 €

Transponder Funkwerk TRT 800 Oled "A-C-S" Mode

Price : + 2.550,00 €

TEXAN TOP CLASS KIT

Standard kit configuration:

Engine cowlings, R912 Engine mount sys, Engine wiring kit, Engine fuel sys, Oil cooler support, Air filter support, Throttle control cables, Stainless steel Firewall, Dashboard with black instrument panel, Pedals with steering/ rudder control sys, Cabin wiring kit, floor panel, Comfort Interiors, Ergonomic Seats w/ Headrest, Three Points Safety Belts, Blu Canopy, Canopy Taxi Opening, Luggage compartment, Hydraulic Brake system. Fuselage, Wings, Ground Fixer, Ailerons, Flap system, Fuel system, Stabilator, Integrated Stabilator Balancing Mass, Electric Trim system, Rudder, Top Tail Fairing RG mod, Low Tail Fairing RG mod, Landing gear complete, Steel MLG legs, NLG Shock absorber, wheels& tires and relatives fairings. Colored Strip & Company stickers.

Not Included: engine, prop, instruments, electric wiring system

75% Kit

Price : 49.000,00 €

50% Kit

Price : 39.000,00 €

TEXAN SIXHUNDRED KIT

Standard kit configuration:

Engine cowlings(to be adapted and drilled), Engine cowling cam-lock, R912 Engine mount sys, Engine wiring kit (to be finished), Engine fuel sys, Oil cooler support, Air filter support, Throttle control cables, Stainless steel Firewall, Dashboard with black instrument panel, Pedals with rudder control sys, Cabin wiring kit, floor panel, Comfort Interiors, Ergonomic Seats w/ Headrest, Three Points Safety Belts, Blu Canopy, Canopy Taxi Opening, Cabin Key Lock, Luggage compartment, Hydraulic Brake system. Fuselage, Wings, Ground Fixer, Ailerons, Flap system, Complete controls systems, Fuel system, Stabilator, Integrated Stabilator Balancing Mass, Electric Trim system, Rudder, Top Tail Fairing RG mod, Low Tail Fairing RG mod, Landing gear complete, MLG legs, NLG leg, wheels& tires and relatives fairings. Colored Strip & Company stickers.

Not Included: engine, prop, instruments, electric wiring system

75% Kit

Price : 51.000,00 €

STORCH CL / STORCH HS

Standard configuration:

Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, oil pressure, oil temp, CHT, EGT, fuel pressure, hour meter, neutral windshield, lateral pockets, adjustable seats, Three Points Safety Belts, forward shock absorber, "7075" aluminum alloy main landing gear legs, two blades wood prop, spinner, snap vent on doors, stainless steel firewall, mass balanced mobile surfaces, dual controls, drum brakes, three setting positions Junkers flapperons, manual trim, Low Level Fuel Warning Light, full composite wing, wing fuel tank 40 Lt + 40 Lt. (LTF version 30 Lt+ 30 Lt.)

VERSION POWERED BY ROTAX 582

Price: 36.900,00 €

VERSION POWERED BY ROTAX 912 UL

Price: 46.200,00 €

VERSION POWERED BY JABIRU 2.200

Price: 44.600,00 €

HS LTF VERSION POWERED BY JABIRU 2.200

(Parachute GRS 5/472,5 , DUC three blade prop. included)

Price: 49.500,00 €

STORCH S

Standard configuration:

Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, oil pressure, oil temp, CHT, EGT, fuel pressure, hour meter, neutral windshield, lateral pockets, adjustable seats, Three Points Safety Belts, forward shock absorber, "7075" aluminium main landing gear legs, two blades wood prop, spinner, snap vent on doors, stainless steel firewall, mass balanced mobile surfaces, dual controls, flap Angle Indicator, Warning Fuel Low Level Light, Acoustic Stall Warning Alarm, hydraulic brakes, electrical flap 0-40°, manual trim, wing fuel tank 45 Lt + 45 Lt, full fairings kit (wheels, legs, tail), luggage compartment net.

VERSION POWERED BY ROTAX 912 UL

Price: 47.900,00 €

STORCH S 500 (LSA) VERSION POWERED BY ROTAX 912 UL

Price: 49.900,00 €

STORCH SERIES OPTIONAL

Upper wing strut Fairing Kit	Price : 150,00 €
Steel main landing gear Legs	Price : + 180,00 €
Blue Lexan	Price : + 150,00 €
Wind protections (to use without doors)	Price : 200,00 €
Door locking system	Price : 130,00 €
Cabin heating	Price : 400,00 €
Alcantara Seats	Price : + 400,00 €
External Aux Power with cables	Price : 190,00 €
Refuel Electrical Pump	Price : 200,00 €

Props

Woodcomp - two blades gnd. adj. pitch	Price : + 600,00 €
Duc - three blades Inconel gnd. adj. pitch	Price : + 850,00 €
Alisport - two blades in flt. manual variable pitch	Price : + 3000,00 €

Parachutes

Parachute Installation Kit (BRS-GRS)	Price : 550,00 €
Parachute GRS 5/472,5 LTF certified (Kevlar ropes)	Price : 4000,00 €
Parachute BRS 5 model 1050 LTF	Price : 4600,00 €

Lights

Tail strobo light (Led)	Price : 490,00 €
Wings strobo lights + red and green nav lights (Led)	Price : 890,00 €
Wings & tail strobo lights + red and green nav lights (Led)	Price : 1.340,00 €
Landing Light	Price : 150,00 €

Engine instruments

Map 0-35 Hg 57 mm	Price : 185,00 €
Map 0-50 Hg 80 mm	Price : 165,00 €
Single gauge dual CHT indicator for Jabiru 2.200	Price : +100,00 €
Single gauge dual EGT indicator	Price : +100,00 €

Flight instruments

Vertical compass	Price : 340,00 €
G-meter 57 mm (+10 -5 g)	Price : 270,00 €
Electric turn coordinator (80 mm)	Price : 580,00 €

Avionics

Radio Funkwerk ATR 500 + Headset	Price : + 1.750,00 €
Transponder Funkwerk TRT 800 Oled "A-C-S" Mode	Price : + 2.550,00 €

Efis/Ems

Dynon D180 - installed with Rotax probes included	Price : 3450,00 €
Super bright screen for D100 / D120 / D180	Price : 180,00 €
OAT probe - included wiring	Price : 120,00 €
Fuel flow indicator for D100 / D120 / D180	Price : 200,00 €
Backup battery for D100 / D180	Price : 110,00 €

STORCH CL/HS SERIES OPTIONAL

Wheel Fairings Kit	Price : 550,00 €
Landing gear leg Fairings Kit	Price : 200,00 €
Beam Tail Fairing	Price : 190,00 €
Wing folding System	Price : + 1200,00 €
Hydraulic Brakes Sys.	Price : + 500,00 €
Engine cowling Cam-Lock	Price : + 180,00 €

STORCH S SERIES OPTIONAL

Wing folding System	Price : + 1500,00 €
---------------------	---------------------

STORCH CL / STORCH HS KIT

Standard kit configuration:

Fuselage (complete), Wings(complete), Wing Struts, Ailerons (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Engine cowling, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), Brake system (complete), Wheels, Landing Gear (complete), Doors, Windshield, Stainless steel Firewall.

Not Included: engine, prop, instruments, electric wiring system

VERSION FOR ROTAX 582 INSTALLATION

Price: 23.500,00 €

VERSION FOR ROTAX 912 UL INSTALLATION

Price: 24.500,00 €

VERSION FOR JABIRU 2.200 INSTALLATION

Price: 23.900,00 €

HS LTF VERSION POWERED BY JABIRU 2.200

(Parachute predisposition included)

Price: 24.900,00 €

STORCH S KIT

Standard kit configuration:

Fuselage (complete), Wings(complete), Wing Struts, Ailerons (complete), Electrical Flap system (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Engine cowling, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), Hydraulic Brake system (complete), Wheels, Landing Gear (complete), Doors, Windshield, Stainless steel Firewall, Beam Tail Fairing, Full upholstery.

Not Included: engine, prop, instruments, electric wiring system

VERSION FOR ROTAX 912 UL INSTALLATION

Price: 28.000,00 €

VERSION FOR JABIRU 2.200 INSTALLATION

Price: 27.000,00 €

STORCH S 500 KIT

Standard kit configuration:

Fuselage (complete), Wings(complete), Wing Struts, Ailerons (complete), Electrical Flap system (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Engine cowling, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), Hydraulic Brake system (complete), Wheels, Landing Gear (complete), Doors, Windshield, Stainless steel Firewall, Beam Tail Fairing, Full Moquette, Steel MLG Legs.

Not Included: engine, prop, instruments, electric wiring system

VERSION FOR ROTAX 912 UL INSTALLATION

Price: 29.000,00 €

VERSION FOR JABIRU 2.200 INSTALLATION

Price: 28.000,00 €

STORCH KIT SERIES OPTIONAL

Upper wing strut Fairing Kit	Price : 120,00 €
Wheels Fairing Kit	Price : 500,00 €
Landing gear legs Fairing Kit	Price : 250,00 €
Beam tail Fairing Kit	Price : 180,00 €
Steel main landing gear Legs	Price : + 180,00 €
Blue Lexan	Price : + 150,00 €
Wind protections (to use without doors)	Price : 120,00 €
Door locking system	Price : 70,00 €
Cabin heating	Price : 270,00 €
Alcantara Seats	Price : + 400,00 €
Full moquette kit	Price : + 200,00 €
Lateral bags kit (2 parts)	Price : 70,00 €
Electrical Wiring System Kit for Rotax 912	Price : 700,00 €
External Aux Power with cables	Price : 190,00 €
Refuel Electrical Pump	Price : 200,00 €
Engine cowling cam lock	Price : 100,00 €
Push/Pull throttle	Price : + 100,00 €

Props and spinners

Woodcomp - two blades gnd. adj. pitch	Price : 850,00 €
Duc - three blades Inconel gnd. adj. pitch	Price : 1300,00 €
Alisport - two blades in flt. manual variable pitch	Price : 3350,00 €
Spinner (not cutted)	Price : 220,00 €
Spinner (ready to install two blades prop)	Price : 280,00 €
Spinner (ready to install three blades prop)	Price : 310,00 €

Parachutes

Parachute Installation Kit (BRS-GRS)	Price : 450,00 €
Parachute GRS 5/472,5 LTF certified (Kevlar ropes)	Price : 3500,00 €

Lights

Tail strobo light (Led)	Price : 490,00 €
Wings strobo lights + red and green nav lights (Led)	Price : 890,00 €
Wings & tail strobo lights + red and green nav lights (Led)	Price : 1.340,00 €
Landing Light Kit	Price : 100,00 €

Basic instruments kit

Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, oil pressure, oil temp, CHT, EGT, fuel pressure, hour meter	Price : 1100,00 €
--	-------------------

STORCH CL/HS SERIES OPTIONAL

Wing folding System	Price : + 900,00 €
Hydraulic Brakes Sys.	Price : + 400,00 €
Airbox Kit for Jabiru 2.200	Price : + 650,00 €

STORCH CL SERIES OPTIONAL

Amphibious conversion kit	Price : 12900,00 €
---------------------------	--------------------

STORCH S SERIES OPTIONAL

Wing folding System	Price : + 1100,00 €
---------------------	---------------------

WALLABY 582

Standard configuration:

Rotax 582 64 hp, Model "B" Gear Box, Dual Ignition, Electric Starter, Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, CHT, EGT, hour meter, neutral windshield, "7075" aluminium main landing gear legs, two blades wood prop, mass balanced mobile surfaces, dual controls, 40 Lt + 40 Lt Wing Fuel Tanks, Mechanical Trim, Full Composite Wings, Fuselage and Mobile Surfaces, Drum Brakes, Three Points Safety Belts.

Price : 27000,00 €

WALLABY 582 OPTIONAL

Folding Wings

Price : 1000,00 €

Double Throttle

Price : 200,00 €

Parachute GRS 3-450 Galaxy (installed)

Price : 2900,00 €

WALLABY 582 KIT

Standard kit configuration:

Fuselage(complete), Wings(complete), Wing Struts, Ailerons (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), Brake system (complete), Wheels, Landing Gear (complete), Windshield.

Not Included: engine, prop, instruments, electric wiring system

Price : 14500,00 €

WALLABY 582 KIT OPTIONAL

Folding Wings kit

Price : 800,00 €

Double Throttle kit

Price : 150,00 €

Basic instruments kit

Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, CHT, EGT, hour meter

Price : 850,00 €

CATALINA NG

Standard configuration:

Rotax 582 64 hp, Model "E" Gear Box, Dual Ignition, Electric Starter, Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, CHT, EGT, hour meter, neutral windshield, electrical retractable landing gear with mechanic emergency system, two blades composite prop, mass balanced mobile surfaces, dual controls, 70 Lt Fuel Tank, electrical actuated flapperons, Mechanical Trim, two full composite seats, Three Points Safety Belts, Full Composite Wings, Fuselage and Mobile Surfaces and reinforced Hull, Hydraulic Brake, water rudder.

Price : 38000,00 €

CATALINA NG

Crashworthy fuel tank

Price : 800,00 €

Parachute GRS 3-450 Galaxy (installed)

Price : 3100,00 €

STREAMER

Standard configuration:

Powder coated steel frame with certified epoxy composite hull white painted, complete with two epoxy composite seats that recline and allow easy access to the rear compartment and to the fuel tank for refuel operations. Main landing gear made of 7075 aluminum Legs with full fairing and yaw stabilizer fins on main landing gear fairing wheels. Automatic locking mast for easy assembly of the wing. "Idroconic" hydraulic rear wheels brake system, with 6" tires. Aerodynamic windshield. Four-point seat belts with automatic releasing system. Epoxy fuel tank with 60 Lt total capacity with bulkheads to ensure a constant fuel supply, +9g tested, that uses capacitive fuel level sender with water in fuel detector. Air-box with carburetor hot air system, hot and cold air are always filtered. Starting key with ignitions check control .Oil tank and battery positioned inside the composite hull, landing light, manually retractable pitot tube to facilitate removal of the wing. Instruments: SKYDAT GX2 AMPtronic that's include altimeter, airspeed indicator, vertical speed indicator, dual CHT, dual EGT, outside air temperature, oil temperature, oil pressure, tachometer, volt-meter. Rotax 912 UI2 80 hp engine installed with Rotax engine mount and stainless steel exhaust system. Three-blades composite on ground adjustable pitch AERO propeller. The trike can be equipped with tower-less Hazard 12S wing or Hazard 15S, both DULV certified.

STREAMER 12S

Price : 38000,00 €

STREAMER 15S

Price : 37500,00 €

STREAMER OPTIONAL

COMFORT Pack

Electric trim, trike covers, strobo light, two blades high performance propeller.

Price : 2200,00 €

Parachute GRS 3-450 Galaxy (installed)

Price : 3100,00 €

Full dual controls for flying schools

Price : 1400,00 €

HAZARD Wings

HF 12S - tower less

Price : 6200,00 €

HF 15S - tower less

Price : 5700,00 €

HF 12

Price : 5500,00 €

HF 15

Price : 5100,00 €

Notes and conditions

All planes (excluded Kits) are delivered "ready to fly" are tested, on ground and on flight, for a minimum of five hours.

All planes (excluded Kits) are delivered with: Flight manual, Maintenance manual, Engine manual

All prices listed are exclusive of VAT

Products subject to discontinuation without notice

Prices and products subject to change without notice.

Prices on this Price List supersede all previous Price Lists

Delivery terms are "Ex Works" according with Incoterms 2000

Prices and configurations listed are subject to availability and are subject to change without notice.

Aircraft Kit notes

All composite parts will be delivered on conditions it comes out from the mould, so it is necessary to finish them before installation. All structural parts will be produced, completed and glued in factory leaving to the customer only mechanical joints and relatives adapting and finishing work.

The kit includes most of parts needed to assembly the plane excluding the propeller, the engine, engine accessories, instrumentation and battery.

All Kits are delivered with: Flight manual, Maintenance manual, Assembly manual
